# AESS UAV Tech Panel is Taking Off

All of these are ongoing efforts for the UAS/UAV Tech Panel

# Key Accomplishments

- Held UAS events in Regions 1, 2, 4, 5, and 6.
  - Technical sessions
  - Hands-on Flight events
  - IEEE Conferences
  - Public imperatives
- IEEE-USA funding UAS TP efforts as an initiative for PACE and public imperative
- Engaged with FAA on sUAS regulations
- Engaged with ISO on UAV standards

# On the UAS TP Horizon

- sUAS commercial licensing preparation course
- UAV standards
- Intrepid conference
- Invited to speak at SC17 regarding drone events as a best practice case study

# Drone Events
