

# Undergraduate Student Representative

**AESS Board of Governors Meeting**

**May 12-13, 2017**

**Seattle, WA**

**Garrett Hall**

**Undergraduate Student**

**Representative, AESS**

# Objectives

- What are our long term strategic **objectives**?
  - Current - Increase student participation through Mentoring and Networking Program
  
  - New - Increase student participation through conference events
  
  - Student Jobs/Internships
  
  - Local Chapter and Student Branch Integration
  
- If a conference has an impact on the student's career, they are likely to return. Creates brand loyalty.

# Initiatives

## ■ What are our short term (1-2 year) **initiatives**?

- Current     Mentoring and Networking - complete
- New            Student's Sky Industrial Awareness Event (\$5)
  - 1 hour, 3 speakers, state ideal candidates
  - Generate source of internships/jobs
  - premier, platinum, gold given first right of refusal

### Sky Walk Conference Tours (\$5)

Walk around the conference with high profile escort  
Groups of 5-8 students

### Touch the Sky Scavenger Hunt (\$5)

Visit x booths, ask x questions, enter lunch raffle

- A student should be able to enter all three of these for less than \$20
- Able to complete in one morning
- Success measured in attendance and internship/jobs accepted
