IEEE Learning Network

- Officially started Contract with ILN on August 2020
- First course (Intro to Airborne Radar) being moved to ILN by IEEE Staff

The screenshot shows the IEEE Learning Network website. At the top, there is a navigation bar with links for IEEE.org, IEEE Xplore Digital Library, IEEE Standards, IEEE Spectrum, and More Sites. On the right, there are links for Cart (0), Create Account, and Sign In. Below the navigation bar, the IEEE Learning Network logo is displayed, along with a search bar and the IEEE logo. The main content area features a large banner with the text "Welcome to IEEE Learning Network" and an illustration of a hand pointing towards a glowing screen. Below the banner, there is a section titled "Featured Topics" with eight icons representing different areas: Career Development, Power and Energy, Emerging Technologies, Computing, Telecommunications, English for Engineering, IEEE Standards, and Transportation. At the bottom of the featured topics section, there is a call to action: "The IEEE Learning Network is your place to find IEEE continuing education. Browse the full catalog to find the latest offerings in engineering, technology and more. Want to know more? Watch this video." The footer contains links for Home, Sitemap, Contact, Accessibility, and Privacy Policy, along with the IEEE logo and the tagline "Advancing Technology for Humanity".

Motion 1

- Transfer the unused \$3,000 for the Radar Summer School for RadarConf 2020 in Florence to RadaConf 2021 in Atlanta, GA, US

Dear Lorenzo,

Request to transfer AESS funds for the Radar Summer School from RADAR2020 to RadarConf2020
