Dale Blair

Fabiola Colone

Fulvio Gini

Wolfgang Koch

Kathleen Kramer

George Schmidt

Michael Braasch

Xiaopeng Yang

# Since the last BoG meeting...

- AESS won the IEEE EAB Society Professional Development Award! We will be honored at an Awards Ceremony on Friday, November 22 in Boston, in conjunction with the IEEE TAB Meeting.
- All approvals came in for the IEEE Historic Milestone. The celebration and plaque unveiling will be held on October 19, 2019, with most of you in attendance!
- We are in the process of filming to create 3 videos: 1) a short video for the Society Development Award ceremony, 2) the IEEE Historic Milestone – Hulsmeyer commemoration, and 3) an AESS promotional video.
- The Resource Center has grown significantly with the addition of 40 lectures from Yaakov Bar-Shalom, 2019 Radar Summer School presentations, FUSION 2018 tutorials, along with our QEBs and Magazines.
- The AESS Short Course Initiative is in active participation. We now have 9 fully vetted instructors and have given 8 courses to date.
- Awards Committee re-worked all the award submission deadlines to group them together for better advertising.
