

Call for Papers
IEEE Aerospace and Electronic Systems Magazine

Special Issue on
HF Radar

Dear HF Radar Community,

The IEEE Aerospace and Electronic Systems (AESS) will publish a **special issue** of its magazine focusing on **HF Radar** developments in recent years.

The IEEE AESS Magazine enjoys a wide circulation and readership and is printed in colour.

We invite you and your colleagues, recognised experts in the field of HF Radar (skywave and surface wave), to contribute a paper to the special issue.

As a guideline time schedule, we invite you to submit your contribution by the **31st January 2017**. The peer-review process will take approximately three months. Authors will be provided notification and feedback by early March 2017. Authors are allowed a further two months to refine/correct their manuscripts based on the reviewer feedback. Authors submit final paper by **30th September 2017**.

You should expect to see **your paper published** in the **second half of 2017**:
