Welcome to the AESS Officers 2018 Strategic Planning Meeting

"It's time to restore the cuts to our strategic planning budget."
Why Vision 2020?

- Logical target date for accomplishing many goals and objectives from previous strategic planning exercises
- Place emphasis on **actions**
- Prepares AESS for the next society review cycle in the year 2020
- Concurrent with terms of the incoming executive team
- Resonates with 20/20 eyesight; connotating a clear vision for the near, mid, and far term
- Catchy – instantly appealing and memorable
Icebreaker Exercise

I’m thinking of getting into the strategic planning game.

If I understand the job description, you basically hallucinate about the future and then something different happens.

You also have to pretend it’s useful. Really? That sounds hard.

Icebreaker Exercise

- Subject offered for discussion
- Think about the subject for a moment
- Each person offers one idea that best addresses the subject
- Group discusses/debates the answers

Examples:
- Good city for a meeting
- Our most important offering
- Our best new member prospects
Review 2016 & 2017 Strategic Planning Meeting Themes

“I feel it’s important to always have a plan to ignore.”
Strategic Themes

Broad Guidance for 3-Year Goals & Short Term Actions

2016 - three strategic themes:

- **INNOVATE** – anticipate tomorrow
  - Propose new customer-focused initiatives to grow and position our Society as a leader in future

- **COLLABORATE** – team building
  - Form active VP committees, engage in cross-VP collaboration, collaborate with AESS community

- **IMPLEMENT** – leverage resources
  - *Make it happen* and seek opportunities to leverage membership resources for implementation

2017 - three ADDITIONAL strategic themes:

- **IDENTIFY** – customer needs
  - Understand *detailed* customer needs, particularly industry (who needs what, where and when)

- **GUIDE** – member participation
  - Inspire, empower and guide wider membership to engage the AESS community in our initiatives

- **REVIEW/REWARD** – member performance/contributions
  - Review operations in each area to refine best practices and reward contributors
3-year Goals

- Mature our repeatable method for developing and following a strategic plan.
- Engage VPs to develop and status strategic plans for their areas to all the EC.
- Improve EC communication—particularly to stimulate cross-VP collaboration.
- Form active VP committees to implement initiatives and execute programs.
- Provide strategic guidance - potential future directions for VP consideration.
2018 Strategic Planning Framework and Definitions

Is your plan consistent with our corporate strategy?
How would I know?
Don’t you know our strategy?
No, do you?
Of course I do. It’s something about leveraging our platforms.

Does your plan leverage our platforms?
No, but I can rewrite my plan so it seems as if it does.
Good. Go back and do that.

There’s no point in having a strategy if you aren’t going to pretend to follow it.
Strategic Plan Hierarchy

- Mission: Why we exist/What we do
- Vision: What we want to be
- Goals: What we must achieve to get there
- Objectives: Intended results produced by implementing strategies
- Action Plans: Collection of objectives needed to meet the goals
- Performance Metrics: Indicators of success

Guidance for Setting Objectives, Action Plans, and Performance Metrics
Definitions for Objectives, Action Plans and Performance Metrics

- **OBJECTIVES**: specific, measurable, achievable, realistic, and timed results produced while implementing strategies
- **ACTION PLANS**: collection of objectives that, in total, must be accomplished to reach a goal of the organization
- **PERFORMANCE METRICS**: measures by which achievement of goals and objectives can be determined
“SMART” Objectives
Guidance for writing objectives

S - SPECIFIC
Details exactly what needs to be done

M - MEASURABLE
Achievement or progress can be measured

A* - ACHIEVABLE
Objective is accepted by those responsible for achieving it

R** - REALISTIC
Objective is possible to attain (important for motivational effect)

T - TIMED
Time period for achievement is clearly stated

*A also means assigned and accepted
** R also means relevant
Action Plans

“SWOT”
You are here.

“Objectives”
What needs to happen to go from here to there?

“Goals”
You need to be there.
Performance Metrics

HOW DID OUR AD PERFORM ON YOUR NETWORK?

GREAT!

YOUR AWESOMENESS METRIC IS UP 22%,

YOUR COOL FACTOR METRIC IS UP 36%,

YOUR SMILEY-FACE METRIC IS UP 58%,

AND A.M.W.T.M.U. IS UP A RECORD 85.4%.

WHAT'S A.M.W.T.M.U.?

ANOTHER METRIC WE TOTALLY MADE UP.
Guidance for Selecting Performance Metrics

- Focus on the critical few, not the trivial many
- Ensure the metric measures performance toward achievement of the goal or objective
- Ensure that data for the metric is valid and obtainable
- The metric should be actionable/controllable
  - Example: Member Satisfaction
    - Price of offering
    - Convenience of service
    - Timeliness of information
    - Consistent quality
Review AESS Mission & Vision

Make your report consistent with our strategic plan.

What’s our strategic plan?

It’s a secret.

Are you saying you don’t trust me?

I don’t think it’s a coincidence that most employee sabotage is done by employees.

How can I do my report if I don’t know the strategy?!

Okay, okay. I’ll let you glance at it.

Time’s up! That’s long enough!

That’s the warranty for your chair.

Really? I’ve been managing to this for years.
AESS Mission
(Review)

• **Mission Statement** – The mission of the AESS is to provide a responsive and relevant professional society that attracts, engages, aids, and retains a diverse set of members (age, culture, community – theoretical, managerial and applications) worldwide in the areas of our fields of interest as defined in our constitution. AESS will accomplish this through technical, chapter and society activities in the areas of conferences, publications, education, technical operations, industry relations, and member services.

• **Best Practice Questions**
  – Does the mission statement broadly describe:
    • Why we exist?
    • What we do?
    • For whom we do it?
    • How they benefit?
Current AESS Vision

(Review)

• **Vision Statement** – The vision of the AESS is to be essential to the worldwide technical community and be recognized for outstanding contributions in the fields of aerospace and electronic systems as demonstrated through the Society’s products, service and offerings in the areas of conferences, publications, education, technical operations, industry relations, and member services.

• **Best Practice Questions:**
  – Does it represent the preferred future of the organization?
  – Does it simply represent a logical extension of today or are out-of-the-box and potentially disruptive changes represented?
  – Is it concise and memorable?
Review Current Strategic Plan
3-year Goals
Conferences
3-Year Goals

- Work with IEEE Meetings and Conference Events (MCE) to assure that the MOU’s being created by the ICX process are meeting the AESS Strategic Objectives.

- Increase the Conference Surplus returned to AES by increasing the number of Financial Sponsorships, through new Conferences and transitioning Technical Co-sponsorship to Financial Sponsorship on strategic conference meeting the AES Fields of Interest.

- Assure that all conference chairs follow the AESS conference guidelines by examining the historical results on publications quality, cooperation with other IEEE Operating Units, and maintaining surpluses through mature governance.
Education
3-Year Goals

- Strengthen the Distinguished Lecturer Program and Services
- Develop and improve programs that support Young Professional (YP) and student members
- Increase awareness and opportunity for educational programs
Finance
3-Year Goals

- Understand publication moves (Magazine and Xplore – Open Source) and their impact on future financial flows
- Increase Transaction publications from 4 to 6 issues per year
- Work with Conferences to increase the surplus returned to AESS as required
- Put checks and balances in the process to improve the AESS Initiative planning, and protect our surplus
- Seek additional sources of revenue such as corporate partnerships
- Select a preceptor/Mentee
Industry Relations
3-Year Goals

- Establish active Industry Relations activities and collaborations through individual AESS Chapters
- Generate and maintain current, industry-focused content on the AESS website, as well as providing on-line links to specific industry-focused features in Systems Magazine
- Establish and demonstrate strategic partnerships with relevant industry and industrial organizations worldwide
- Develop new strategies for attracting industry advertisements in Systems Magazine, the AESS website, etc.
- Position AESS in a pro-active role with the IEEE global industry strategy, leveraging the initiatives of the IEEE Industry Advisory Board
- Promote opportunities for Young Professionals in our industry fields of interest
Member Services
3-Year Goals

- Maintain close liaison with Chapters and engage chapter members in AESS events and activities
- Promote formation of AES-Joint Society Chapters where no chapter exists
- If financially feasible, hold a Chapter Summit every three years in conjunction with the Sections Congress meeting
- Promote AES chapter participation in organizing conferences
- Grow AESS membership by 1% per year
- Increase member participation in AESS events
- Reduce the number of member drops each year
- Recruit student members to full membership upon graduation
- Offer assistance to members for elevating to the next grade
Publications
3-Year Goals

- Reduce the average submission-to-publication delay for the AES Transactions to nine months
- Achieve an average submission rate of twelve articles per month for the AES Systems magazine
- Increase the contributions to AES publications from industry by two articles per month
- Increase Impact Factor of Transactions to 2.0
- Increase Impact Factor of Systems magazine to 1.0
- Increase readership (opens) of QEB by 25%
- Increase visits to IEEE AESS website by 25%
Technical Operations
3-Year Goals

- Review all technical panels for relevance, activity and leadership
- Seek revitalization of those technical panels that may be dormant or lagging, and drop those whose relevance or currency has expired
- Identify topics and potential leaders for new areas within our fields-of-interest where technical collaboration would be beneficial
- In collaboration with Conferences, identify and recruit AESS members from technical panels to participate in organizing AESS conferences
- In collaboration with Member Services, promote interaction between technical panels and local AESS chapters to increase AESS member participation in these activities
- Develop guidance in the form of best practices and recognize outstanding technical panels
Governance
3-Year Goals

- Review governing documents to ensure continued compliance with all IEEE policies and “must-haves”
- Review governing documents with analysis to improve AESS operation, as needed
- Ascertain that all officers understand their responsibilities per the governing documents and abide by all provisions therein
- Improve the awareness of the governing documents to our membership
- Maintain the “Introduction to AESS” document, focused on young engineers
2018 Strategic Objectives

I found some numbers that support your strategic plan.

I had to take the square root of a negative number to do it.

The timeline is on this Mobius strip.

Good work.
Objective Template
One/each using SMART Format

S – Statement of the objective
M – Performance metric for measuring progress
A – Assigned to:
R – Relevant to which goal(s) and how?
T – Time period for performance

WE NEED TO FIND A WAY TO CLOSE THE GAP BETWEEN OUR STRATEGY AND OUR CAPABILITIES.

WHY DON'T WE JUST PRETEND WE'RE GOOD AT SOMETHING AND CALL IT OUR STRATEGY.

SORRY... DIDN'T MEAN TO JUMP AHEAD.

Problem Solving Exercises

OUR COMPETITORS JUST MADE OUR NEW FIVE-YEAR PLAN MOOT.

WHILE WE WERE STRATEGIZING, THEY WERE DOING SOMETHING I BELIEVE THEY CALL "WORK."

ON THE PLUS SIDE, I MANAGED TO SALVAGE SOME JOY BY MOCKING YOU. WHATEVER YOU'RE DOING, STOP IT.

Problem Solving Exercise
5 Whys* (Getting to the root cause)

Perform Iterations until the root cause is identified

Got caught speeding

Why?

Late for Work

Got up late

Why?

Alarm clock didn't work

Why?

Batteries were flat

Why?

Forgot to replace them

Countermeasure
Get an alarm clock that plugs into the mains or even replace the batteries at set intervals before they run out.

* Usually 5 iterations are sufficient
Problem 1:
AESS has 10 inactive chapters

- Goal – Reinvigorate inactive chapters and ensure all chapters remain active
- Why do chapters become inactive?
  - Loss/lack of leadership
  - Lack of local AESS members
  - Lack of suitable meeting time or location
  - Lack of speakers or meeting topics
  - Lack of time or interest
  - Other
