October 7-8, 2021

Board of Governors Meeting

AESS website status update

By end of week:

- Server setup and deployment strategy implemented
- Back-end architecture is complete
- Catalyze theme is in progress (beta) but complete enough for site launch and continue to improve
- Migrations have begun and Committees will be completed this week
- Back-end and Committee content can be shared with an Editor account

Next Steps (2-4 weeks):

- Complete Migrations
- Build Site Navigation on website
- Build manual content pages
