

IEEE AESS Publications Strategic Plan Response

Officers Meeting
Washington, DC
January 26, 2013

From the Executive Summary

- Develop AES Transactions to eliminate publication backlog and improve journal impact factor
 - BoG approved increased page count for 2012
 - Pre-posting of articles on IEEE Xplore
 - Continual hounding of editors
 - Letters
 - Special sections
 - Concern: Open Access
- Improve content and presentation of the AES Magazine
 - New look of Magazine
 - Special Issues
 - Monthly conference calls
 - New editors
 - Altogether a new energy in the team!
 - Advertising?

From the Executive Summary

- Determine areas of interests and potential authors for new Tutorials
 - Tutorials are our most-cited works
 - See Tutorials report
 - Perhaps BoG should put a target for issues per year?
- Address the lack of submitted articles to QEB, and appoint an official editor.
 - Cosimo Stallo is QEB EIC (and it is a nice product!)
 - Need BoG help.
 - Pubs team needs to address this too.
