2022 AESS Spring Board of Governors Meeting

25-26 March 2022

New York, USA

- ▶ This year
 - 10.5% increase in registrations
 - 3.1% increase in mentee/mentor match

- ▶ **SWOT** Planning
 - **Strengths:** What Has Been Accomplished In Last 3 Years
 - Growing numbers of registered mentees each year
 - Decreasing the number of waiting applicants to be matched
 - **Weaknesses:** Define Areas Of Growth (3 Years) Needed To Improve Services
 - There are increasing amounts of No Responses from mentees
 - **Opportunities:** Define Quantified Plans And Collaborations Needed
 - Improve registration numbers
 - Decrease number of No Responses
 - **Threats:** What Environmental Issues, That require Short-Term Action To Mitigate
 - Decline in registration during COVID19 Pandemic

- ▶ Objectives:
 1. Promote the program
 - Through social media and QEB
 - Could also be done through the monthly challenges when we have students go through our new website
 2. Monitor the program through surveys/feedback for improvement
 - Decrease the number of 'No Responses'
 - Find improvements
