

AESS/IEEE STUDENT UAV PROJECT FOR 2012

JIM LEONARD

I HAVE BEEN WORKING WITH DR. STEVE WATKINS AT THE MISSOURI UNIVERSITY OF SCIENCE AND TECHNOLOGY TO SET UP A POSTER SESSION FOR OUR UAV TEAMS AS PART OF A REGIONAL ASEE CONFERENCE. THE EVENT WILL BE HELD AS PART OF THE ASEE CONFERENCE SCHEDULED FOR 19-21 SEPT AT ROLLA (MS&T). WE WILL HAVE THE HALL ON FRIDAY, SEPT 21. IT WILL START OFF WITH A BREAKFAST FOLLOWED IN THE MORNING WITH A POSTER SESSION. I AM PLANNING TO INVITE MS7T, UMC, KU UCCS, U WATERLOO AND U Concordia (montreal). THERE WILL BE A LUNCHEON WHERE EACH TEAM WILL BE GIVEN 5 MINUTES TO DESCRIBE THEIR PROJECT UAV. THE AFTERNOON WOULD BE DEVOTED TO FLYING AT A NEARBY ROLLA INTERNATIONAL AIRPORT. I AM REQUESTING \$2000.00 FOR THE AESS BOG FOR CONFERENCE SUPPORT. DETAILS WILL BE AVAILABE SHORTLY AT THE ASEE WEBSITE
