

AESS AWARDS

Erwin Gangl

AESS Awards Committee Chair

29 September 2008

Aerospace & Electronic Systems Society

M. Barry Carlton AWARD

2006 M. Barry Carlton Award

to

- **Dr. Thomas Brehard**
- **Jean-Pierre LeCadre**

for October 2006 Transaction Paper:

“Closed-Form Posterior Cramer-Rao Bounds for Bearings-Only Tracking”

WALTER R. FRIED AWARD

2008 Walter Fried Award

ROBERT A. NEWGARD

&

**R W Berquist, J F Natale, R L Borwick,
C Tsai, P A Stupar, Y Lin, M Zhu**

for the May 2008 PLANS Best Paper:

“Compact, Low-Power Chip-Scale Atomic Clock”

Aerospace & Electronic Systems Society

Harry Rowe Mimno AWARD

2007 Harry Rowe Mimno Award

to

John B. McKinney

In Recognition for:

A Case History of an Invention
[The Evolution of an Invention]

Published as Part 2 in the August 2006 issue of
IEEE Aerospace & Electronic Systems Magazine

Working with John McKinney on Arrangements

Aerospace & Electronic Systems Society

Harry Rowe Mimno AWARD

2008 Harry Rowe Mimno Award

to

J. A. Rosero, J. A. Ortega, E. Aldabas and L. Romeral

In Recognition for:

Moving Towards a More Electric Aircraft

Published in the March 2007 issue of
IEEE Aerospace & Electronic Systems Magazine

TBD on Arrangements

Aerospace & Electronic Systems Society

PIONEER AWARD

2008 Pioneer Award Presented

to

Robert D. Briskman

at ISSSTA2008 Symposium

28 August 2008

Bologna, Italy

for

“Development of Commercial and Broadcast Satellites Over the Past 40 Years”

Dr. Sajjad H. Durrani, Nominator

2008 Pioneer Award Robert D. Briskman

Aerospace & Electronic Systems Society

Fred Nathanson AWARD

2008 Fred Nathanson Memorial Radar Award to:

Maria Greco

Presented at

RadarCon 2008

Rome, Italy

28 May 2008

WARREN D. WHITE AWARD

2008 Warren D. White Award

to

DR. Serpil Ayasli

“For Significant Contributions to Ultra-Wideband Radar
for Ground Penetration and Foliage Penetration Radar”

Presented at:

RadarCon 2008

Rome, Italy

28 May 2008

Aerospace & Electronic Systems Society

Judith A. Resnik IEEE Field Award

2008 Judith A. Resnik Award

to

Sudhakar K. Rao

For

“Innovations and Contributions Leading to Advanced Multiple Beam and Reconfigurable Beam Payloads for Communications Satellites

To be presented at

TBD IEEE Conference

TBD 2009

Aerospace & Electronic Systems Society
