Student Chapter Activity

Sean Malek

Progress so far

- Figuring out how IEEE AESS functions and how I can maximize effectiveness

- Created a short report on Mentoring Program Webpage
  - Very informative of Mentors
  - Could be easier to choose a possible Mentor
    - There should be an easier way to choose a Mentor that fits you
      - Create a section that allows user to input personal information that pairs him/her with a mentor that fits best
      - Update the site to make the search easier for students/mentees

- Content Development for Industry Relations Tab
  - Still working on it

Way Forward

- Initial activity in current academic year
  - Conduct (2) local events in IEEE Dayton Section
  - Document planning of events and outcome
  - ==Share results== among Student Chapters
- Future activity
  - Develop AESS web based tool to aid Student Chapters
    - Publish aforementioned results on AESS web page
    - Links IEEE AESS benefits and beyond
    - Mentorship program
    - Instructions for covering Student Chapter expenses
