

AESS Operations Italy and Western Europe:

AESS for Abruzzo: a Support after the Disaster

**Marina Ruggieri
University Roma Tor Vergata
ruggieri@uniroma2.it**

Spring BoG Meeting – Anaheim, CA – 24-25 April 2009

Short Term Project

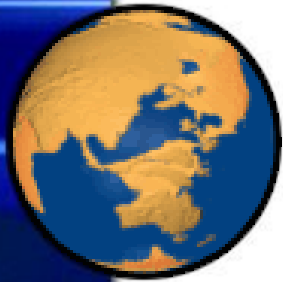

- **IEEE/AESS supports *professional* work**
- **Abruzzo economy relies deeply on *professional* activities in the TOURISM field.**
- **In particular mountains in Abruzzo are wonderful both in the winter snow season and in the summer.**

AESS could give support to the post-earthquake reconstruction in Campo Felice, a beautiful Abruzzo's mountain area close to L'Aquila, and in particular to a *professional* touristic structure located there.

Short Term Project

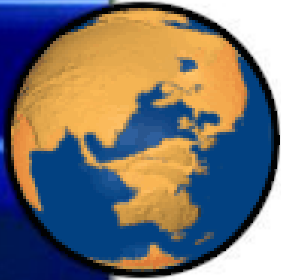

Short Term Project

**AESS could help to save the summer tourism
and to prepare properly for the 2009/2010 winter tourism**
