Fundamental Aims

- QEB is a fundamental tool to promote AESS among the youngest people (Student members, GOLD ones);
- In the scenario of different levels of membership, QEB is inserted in the basic package: in this way, people can have a FULL VISION of our society;
- QEB can be used in order to anticipate the new articles to be published in the System Magazine;
- QEB can be used in order to promote the Education Activities and in particular the new GOLD for GOLD ones;
- QEB can be used to promote IEEE AESS Workshops and Conferences;
- QEB is useful to inform AESS readers about open positions in Industry or Academy.

Conclusions

The April Issue needs to be published. We are late!!!!

Please submit articles to Editor !!!!!!!
