

IEEE Aerospace Electronic Systems Technical Operations

Michael Braasch

2023 AESSE Officer Strategic Planning Meeting

14 and 16 February 2023

Princeton, NJ, USA

1. Champion the supertopic (“Autonomy for Sustainability”) of the Vision & Perspectives Panel
2. Encourage the Glue Tech Panel to found a flagship conference for AESS
3. Explore potential revolutionary/transformational/high-impact initiatives that leverage AESS excess reserves
4. Revise Best Panel Award procedure in accordance with the 2022 process

- Supertopic:
 - Mark, Marina and I will be meeting with Joe Dauncey (V&P Chair) on Feb 21
- Glue Tech:
 - Will meet with Tech Ops committee and Glue Tech Panel chair
- Transformative Initiatives:
 - Need broad direction from the BoG regarding the parameters of the trade space that can be presented to the panels (e.g., what is the funding cap for new initiatives?)
- Best Panel Award procedure:
 - Formalize the procedure whereby Best Panel is selected by the Tech Ops committee based on the panel materials submitted for the Spring and Fall BoG meetings

- NONE
