

IEEE Aerospace & Electronic Systems Society

Engineering Scholarship Application 2019

For studies in Electrical Engineering (Undergraduate) and Systems Engineering (Graduate)

Applicant Name: _____

Address: _____

Country, City, State, ZIP/postal code _____

Phone: _____

Email: _____

College or University: _____

Address: _____

Country, City, State, Zip/postal code: _____

Field of Study: _____

Current Undergrad Grade: Freshman _____ Sophomore _____ Junior _____ Senior _____

Or Graduate Student _____

Current Grade Point Average: _____

Instructions: Provide statement of financial need, and an essay (1000 to 1,250 words) on why these three fields of study are important in today's world. Attach to this document along with 3 letters of reference, two of which must be from current or former professors who have taught you or know you personally.

Submit to: Robert C Rassa, 2260 Engle Rd, Fallston MD 21047, or RCRassa@Raytheon.com no later than 31 December, 2018. Winners will be announced by 15 April 2019.

Eligibility: IEEE student members studying electrical/electronics engineering at the undergraduate level or first professional degree, and systems engineering at the graduate level, from an accredited university, with no other scholarships and a cumulative grade point average (GPA) of 2.8 (OR 7.5 in select countries) or above.

No relatives of current members of the IEEE Board of Directors, the Aerospace & Electronic Systems Society Governing Board, the IEEE-AES Scholarship Committee, or IEEE staff may be candidates, or may nominate or endorse candidates for this Scholarship.

Awards: \$5,000.00 USD to graduate student, \$5,000.00 USD to undergraduate student. Funds will be paid to the school on behalf of the student.
